Hello & Greetings to All!

The 2023 Dakota 50/50 event is right around the corner. The 2023 event will once again be held at the ND Winter Show Building in Valley City on October 20, 21, and 22.

Our total purse for the 2023 event will be over \$30,000, plus jackpotted entry fees for the Maturity, and barrel race, with additional funds to be added to the maturity and barrel racing.

The weekend will start with Maturity events on Friday morning, followed by the barrel racing competition. Upon completion of these events and the awards ceremony we will roll into our Mane Event. Please join us for a complimentary meal, refreshments and raffles.

Saturday morning will start off with the 2-year-old futurity competition, followed by our weanling sale.

Sunday morning will be round two of the 2-year-old futurity competition. Once the Futurity events are complete and the scores are tallied, we will present futurity awards to wrap up our weekend.

The membership of the Dakota 50/50 would like to thank our sponsors and advertisers for their awesome support.

Hope to see you all there to join us for the fun.

Stay safe! Stay Healthy!

Happy Trails to All.

WILD CARD

Here's your chance! The "Wild Card" will be the first lot sold. The high bidder for the "Wild Card" will have their choice of any weanling in the sale. This lot will be auctioned off in the same manner as every other foal in the sale, with the exception that no one will know which horse has actually been sold until the bidding is over and the winning bidder chooses his or her foal. Once that foal is chosen, it comes out of the regular course of the sale and the sale resumes with the remainder of the consignments selling in catalog order.

MATURITY HORSE VERSATILITY CLASSES

RANCH RIDING

For ranch riding classes, horses show individually and the class can be conducted inside or outside an arena. In this class, judges are looking for relaxed, responsive horses with soft and cadenced gaits. The horse should make timely transitions in a smooth and correct manner, plus the horse should be soft in the bridle and yield to contact.

RANCH TRAIL

Obstacles found in a ranch trail pattern are approximate to those found during the course of everyday work. Judges are looking for a well-trained, responsive and well-mannered horse that can correctly navigate and negotiate the course and to do so in a correct and efficient manner. Rule SHW561 outlines the class, including prohibited and mandatory obstacles.

Ranch Riding and Ranch Trail will be run as one event. The exhibitor will hesitate at the end of Ranch Riding for the judge to nod to begin the Ranch Trail Pattern.

RANCH REINING

Ranch reining measures the ability of the stock horse to perform basic handling maneuvers. This class can be held with or separate from the ranch cow work class; if the two are held together, they are still scored and placed as individual classes. This is what the judges are looking for in ranch reining: "To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely."

RANCH COW WORK

When it comes to the ranch cow work class, riders are allotted one minute and forty-five seconds to complete the work. There are three parts to the limited ranch cow work, boxing the cow, setting up the cow and driving it down the fence to the opposite end of the arena, and boxing it at the opposite end of the arena.

Ranch Reining and Ranch Cow Work will be run as one event. The horse and rider must accomplish all three parts in three minutes. The exhibitor will complete the reining and then call for a steer to begin the Ranch Cow Work.

RANCH CONFORMATION

To be eligible to compete in the ranch conformation class the horse must be shown in at least one class, and one of the other categories the day of the show. Judges are looking for balanced, structurally correct horses with adequate muscling. You'll need to show your horse in a good working halter – rope, braided, nylon or plain leather – exhibit your horse at a walk and trot, then line up for inspection by the judge.

FUTURITY EXPLANATION

All horses sold in the Dakota 50/50 sale are eligible to compete in the Dakota 50/50 Futurity as two-year-olds. Each sale, 50% of the selling price of the weanlings sold is retained by the Dakota 50/50 Futurity and utilized as follows: Futurity purse (35%), maturity purse (5%), operating expenses (5%) and breeder incentives (5%).

The futurity is one event consisting of three (3) equal parts or divisions in which points are totaled and averaged to achieve a winner. Each horse entered in the futurity must compete in all three divisions. There are four (4) judges.

1. CONFORMATION DIVISION – *Emphasis* is to be placed on an individual that is conformationally correct and sound on all feet and legs. That is, a balanced smooth individual whose parts all blend together with eye appeal and the appearance of an athletic individual.

2. RAIL DIVISION – Designed to show a free and easy moving individual that is relaxed, ears alert, looks balanced and his way of going forward is bright as well as responsive to the rider at various gaits. When asked to extend the jog, or may be asked to extend the lope, he moves out with the same smooth natural way of going. Rail work consists of the walk, jog and lope with the extension of the jog and possibly the lope, in either direction of the ring to be shown on a loose rein or light contact without undue restraint. Judging will be based on the horses' overall performance and way of going, as well as its ability to hold the designated gait and correct leads. The rail division will be done on an individual basis – one horse performing at a time, with scribes to mark the scores. Order will be determined by random draw for each day.

3. PATTERN DIVISION – Will consist of an individual pattern of work, designed to show how well broke the horse is. Emphasis is placed on the execution of the pattern with regard to the correctness of the maneuver and overall smoothness of the pattern. Horses will be asked to demonstrate leads and lead departures, circles, simple lead changes, soft stops, back and turn on the haunches. Maneuvers to be judged at the two year old level. Order will be determined by random draw for each day.

GENERAL

1. The same contestant must exhibit or compete in all divisions. One horse, one exhibitor. Horses must show in all divisions to receive any prize money or award.
2. All horses are to be shown in a standard headstall and western equipment and

attire. All horses are to be shown in a bosal or snaffle bit that meets NSBA Rules. 5/16" bit measurement with a ring size of not less than 2" and no more than 4".

3. Training devices are prohibited in the show arena and designated warm-up arena at all times. Split or tied reins may be used, however all horses are to be shown with both hands on the reins.
4. Horses with false or deadened tails, or illegal or inhumane equipment in the show arena will be eliminated from competition. Hair to hair extensions is **not permitted**.
5. Prize money will be paid to the top ten in the Futurity. Money will be split in the case of a tie. See rules and regulations for percentages.
6. Should any horse change ownership after the 50/50 sale, but before the Futurity, that horse retains its eligibility for the Futurity. The current owner must provide notification of ownership to the management.
7. All monies will go to the current owner of the entry as shown on the current registration with the horse's respective breed association.

FUTURITY

Rail Explanation:

1. Enter ring @ gate A go to the right, continue at walk to B.
2. Jog $\frac{3}{4}$ arena on the rail to A.
3. Lope on L lead on the rail returning to A.
4. Stop at A.
5. Reverse at a walk and then jog.
6. Jog on the rail $\frac{1}{2}$ arena to C.
7. Extend the trot $\frac{1}{2}$ arena to A.
8. Walk at cone A $\frac{1}{4}$ arena to D.
9. Lope R lead on the rail returning to D.
10. Stop at D. Back 5 steps and stop.

Note: Markers will be placed in the arena to be used as a guide. This is not a horsemanship class – the markers are not to be considered precise transition spots. Since the horse will enter the arena only one time for both the rail and the pattern divisions, the equipment for the pattern course will be set in the arena as well.

Pattern Explanation:

1. The pattern will follow the rail performance, begin with the nod from the judge.
2. Walk to and over the bridge, continue to the center of the arena.
3. Lope $2\frac{1}{4}$ circles to the left. First circle slow and the second circle faster, demonstrating horse's ability to increase speed.
4. Stop between the pylons at the wall and roll back or turn 180 degrees to the right.
5. Lope $2\frac{1}{4}$ turns to the right. First circle slow and the second circle faster, demonstrating horse's ability to increase speed.
6. Stop between center pylons and back up past the rail.
7. Sidepass to the left, length of rail, step into square, hesitate.
8. 360 to the right.
9. 360 to the left, hesitate.
10. Step through rails.
11. Jog to exit gate.

SALE TERMS & CONDITIONS

1. All horses selling in the sale should be fit to the best of their potential. They should be healthy horses, exhibiting high body scores, and have a good hair coat.
2. Terms of the sale are cash or personal check (US Funds). Registration papers will not be released until checks clear.
3. Buyer is responsible for transfer fee, relative to breed association.
4. All announcements on the block on sale day take precedence over all printed or electronic material.
5. All colts will have a negative Coggins and Health Certificate.
6. All colts will be brand inspected before leaving the sale barn.
7. Risk of loss will be passed to buyer when the animal is announced sold.
8. Horses re-sold after the sale will retain eligibility for the Dakota 50/50 Futurity and/or Maturity. Money won in the futurity will be presented to the current owner as stated on the registration certificate on futurity date.
9. Selling positions are to be drawn by sale management. Horses sell in catalog order with the exception of the Wild Card.
10. Health Certificates will be available for all out of state sales.

HANDLING OF A BAD CHECK

The Dakota 50/50 purse is based on a percentage of revenue of the Dakota 50/50 sale. Therefore all announcements of the purse will be considered "unofficial" until all checks have cleared the bank. The official purse of the Dakota 50/50 will be a percentage of the total collected sales.

Any check that does not clear the bank on the first deposit will be resubmitted upon receipt. If the check does not clear on the second deposit, arrangements will be made to return the horse to the original consignor within 15 days at the expense of the buyer or face prosecution. This is to avoid any concern regarding the condition of the colt. Payment will not be made to a consignor until the check for their respective colt clears the bank.

Attention!
Attention!

FULL-TIME COLLEGE STUDENTS

Any full-time college student that purchases a yearling at the 50/50 sale will have the futurity entry fees waived when they come back to show as the owner/rider, even if no longer going to school. Proof of full-time student status within 30 days of sale is required.

HORSE'S NAME	RUN #1

The "Wild Card" will be the first lot sold. The high bidder for the "Wild Card" will have his or her choice of any weanling in the sale. This lot will be auctioned off in the same manner as every other foal in the sale, with the exception that no one will know which horse has actually been sold until the bidding is over and the winning bidder chooses his or her foal. Once that foal is chosen, it will come out of the regular course of the sale and the sale will resume with the remainder of the consignments selling in catalog order.

Smooth moving well balanced filly that is bred to perform. Disposition, athletic ability come with a sweet filly and she is the prettiest shade of bay. Sired by HES A BLUE PEPTO a very versatile performer with money earned in NCHA, NRHA, and NRCHA. AQHA region 2 sorting champion and has AQHA reining points. Dame is one of the prettiest mares you will find and a daughter of HP MACHISMO. She is sure worth a look. More info at www.degensteinquarterhorses.com.

If you want one that has personality, brains, athletic ability, color and pedigree to be a stand out in the showpen, here she is. Her sire's foals have excelled in the barrels, roping, reining, cow work, ranch horses, a world qualification in dressage and make outstanding youth horses. SMART UN CHIC is Babbcock Ranch branded and showed a ton of promise in the showpen before an injury sidelined her. This is one I had intended to keep but decided to offer her this year. Definitely one you don't want to miss.
